**MAKING STRIDES AGAINST BREAST CANCER**

is the largest network of breast cancer events in the nation - and we do more than just walk.

We raise money to help the American Cancer Society fund groundbreaking breast cancer research and provide patient services like free rides to chemo, free places to stay near treatment, and a live 24/7 cancer helpline.

**DONATE AND WALK WITH US**

Even though we all have our own reasons for joining Making Strides, we'll take down breast cancer because we're in it together. Our team is fundraising for the American Cancer Society's support services and lifesaving research.

Believe us, every dollar really does count, so we're asking for your help. Please donate or join CWA Local 1106's team today, because together we can end breast cancer.
